

## Outreach (*formidling*)

I have included the following documentation of my outreach:

1. "World of Warcraft som globalisert spillverden", an op-ed (*kronikk*) written with Hilde Corneliusen and published in Bergens Tidende, 27/9/2007.
2. "Sex, politikk og YouTube", an op-ed (*kronikk*) published in Bergens Tidende 11/7/2007.
3. "Kunst i bevegelse: Elektronisk kunst i offentlige rom." Introduction to a catalogue of Norwegian, publicly funded electronic art in public places. In Dahl, Janne Stang and Jøran Rudi (eds.) *Elektronisk kunst i offentlige rom*. Oslo: PNEK/NOTAM. 2004.
4. "Litteratur på nettet: en innføring i elektronisk litteratur", published in *Norsklæreren* 1/2007.
5. A screenshot of my profile on <http://slideshare.net/jilltxt> - these are the first pages of many of the presentations I have given at conferences for business entrepreneurs, the advertising industry, libraries, graphic designers and others over the last few years. To view full slideshows, please visit the website.
6. A short piece in the University of Bergen newsletter about my winning the Meltzer Prize for research dissemination.
7. My LinkedIn profile. There are a few recommendations from people I've given talks for at the end of the profile. The online version can be viewed by searching for my name at <http://linkedin.com>

Please see my CV for a full list of presentations and talks I have given, and for a list of media coverage.w

You are also welcome to visit my blog, <http://jilltxt.net>, or to take a look at my Twitter feed, at <http://twitter.com/jilltxt>.
